

PRODUCT INFORMATION

Reviver

Toilet & Urinal Cleaner

DESCRIPTION

Reviver is a specially formulated product that contains no acids. Reviver is the ideal product to use in toilets, urinals, shower screens, and washrooms and areas where scale is a concern.

FEATURES & BENEFITS

- Leaves areas smelling clean and fresh;
- Safe to use on Stainless steel;
- Versatile and extremely effective used as a complete maintenance treatment for toilet, shower and washroom.

USE DIRECTIONS

Urinal Cleaning: Use Reviver neat for initial cleaning of toilet and urinal cleaning. Allow 5-15 minutes contact then agitate with stiff brush/broom then rinse off.

Descaling: Dilute 250mls of Reviver per litre of water and allow to soak for an hour or overnight depending on scale build up.

Shower Screens: Use Reviver neat and apply to shower screen for 5-10 minutes then rinse off with fresh water.

Taps shower heads and basins: Dilute 100-200mls of Reviver per litre of water. Spray directly onto surface, rub with cloth, allow 1-3 minutes contact and rinse with fresh water.

Tiled Floors: Dilute 50-200mls of Reviver per litre of water. Apply with mop or stiff broom and then rinse off with fresh water.
