PRODUCT INFORMATION

# DishFresh

## Premium Manual Dishwashing Liquid

## DESCRIPTION

DishFresh is a premium manual dishwashing liquid formulated to effectively remove oils, fats and food residues from plates, pots and pans. With a fresh citrus fragrance and carefully balanced viscosity, DishFresh provides excellent cleaning performance while ensuring smooth, easy flow through dispensing pumps.

## FEATURES & BENEFITS

- A neutral product that will not irritate the user's skin;
- Excellent rinsing properties, leaving plates streak free with a brilliant finish;
- Formulated for fast and effortless cleaning;
- Leaves a clean fresh smell;
- An economical product.

## USE DIRECTIONS

Dishfresh is designed to clean dishes, pots and pans. However, it is also effective in washing floors. For best results use DishFresh in warm water.

**Light Soil Cleaning:** Dilute 2-4 mls of Dishfresh per litre of water.
**Medium Soil Cleaning:** Dilute 5-7 mls of Dishfresh per litre of water.
**Heavy Soil Cleaning:** Dilute 7-10 mls of Dishfresh per litre of water.
