

## PRODUCT INFORMATION

# TyreShine

## High Gloss Silicone Tyre Dressing

### DESCRIPTION

Tyre Shine is a premium silicone tyre, rubber, vinyl and plastic dressing to rejuvenate even the duller surface. Tyre Shine's unique formulation provides a high gloss finish with a durable weather resistant shine.

### FEATURES & BENEFITS

- Minimal "flick off" from tyres;
- Suitable for both new and aged tyres, vinyl and plastic;
- Non greasy formulation;
- Durable shine;

### USE DIRECTIONS

Clean and dry surface before proceeding.

Apply Tyre Shine using a sprayer, applicator pad or brush direct to the surface.

Wipe off excess product with a clean dry cloth to achieve a non-greasy finish that does not attract dust.
